

PUBLIC WORKSHOP

COMMUNITY CHOICE ENERGY

Thursday July 24th 6:30-8pm

SLO Public Library Community Room 995 Palm St, San Luis Obispo CA 93401

**A Free Public Workshop
about Creating a Local,
Clean Energy Economy
for San Luis Obispo**

Mr. Stillman managed the formation of a community choice aggregation program called Sonoma Clean Power. Sonoma Clean Power will purchase energy generation services for Sonoma County residents with the goal of retaining funds for local reinvestment while delivering increased levels of renewable power. Sonoma Clean Power offers greater investment in renewable energy at rates that are lower than the incumbent utility.

Cordel Stillman
Deputy Chief Engineer, Sonoma County Water Agency
